

ROEDING PARK

You may experience longer lines into the park on the weekends and on holidays. The park has two entrances: one on Belmont Ave. and one on Olive Ave. On busy days when the Belmont entrance has heavy traffic, the Olive entrance is a great alternative.

PARKING RATES

The City of Fresno charges a \$5 per car parking fee at Roeding Park. Parking rates are subject to change for holidays, special events, and other instances determined by the City of Fresno.

The City of Fresno has added pay stations throughout Roeding Park to pay. There are 11 kiosks throughout the park. These kiosks accept exact cash (parking is \$5) or card (with a \$0.40 convenience fee). You can also pay via the [ParkMobile App](#), available on the App Store and Google Play. Roeding Park annual parking pass holders have been grandfathered into the City's updated parking system.
